BALI

Machine-Woven | 100% Polypropylene Pile

The indoor/outdoor Bali collection offers a fresh combination of colors that are on trend with fabrics in today's market with neutral ivory and cocoa blended with cool grays and blues and pops of bright gold. It is a machine-woven quality of easy-care polypropylene with a textural loop construction for added surface interest. From outdoor furniture to indoor throw pillows, Bali will transform any space a touch of color and casual sophistication.

LAGOS ^{*NEW}

Machine-Woven | 100% Polypropylene Pile

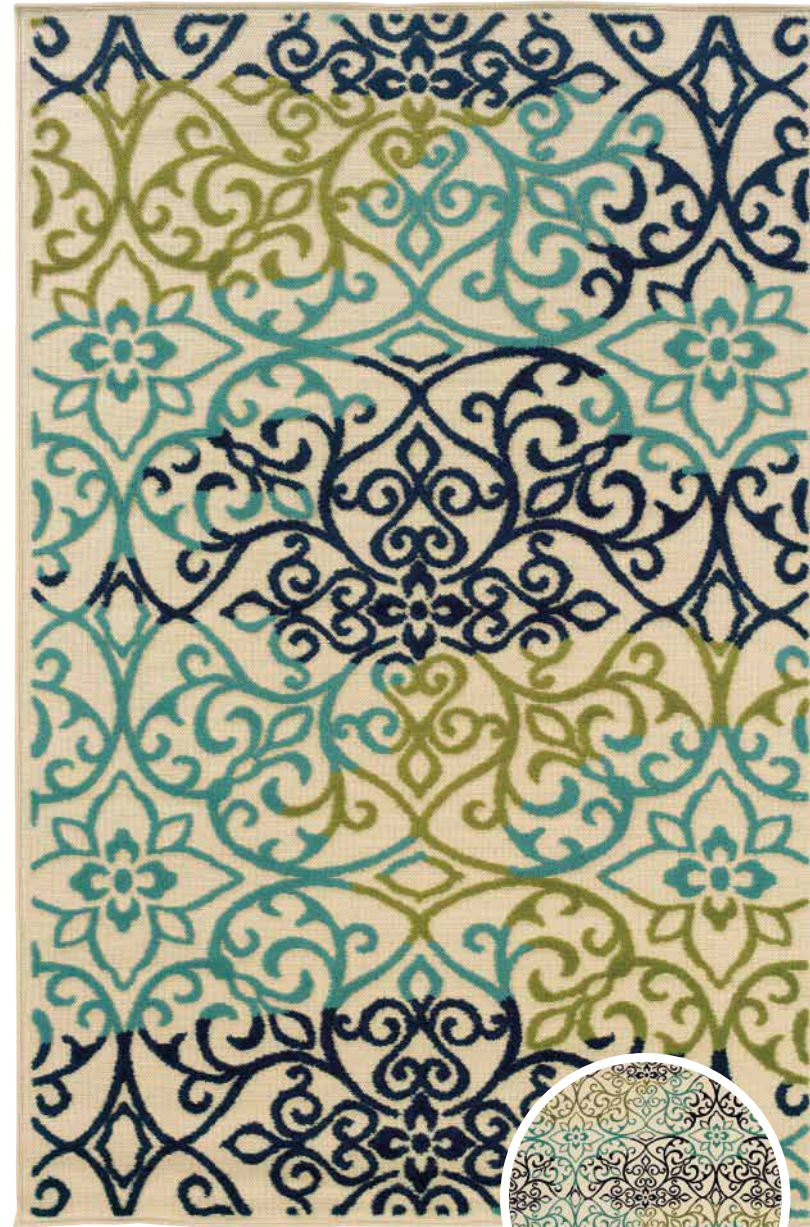

As a perfect indoor/outdoor option, Lagos is constructed with a unique hi/lo effect created by the woven frieze cut pile and flatweave base, offering a great hand as well as plenty of texture and surface interest. The collection's eight-color palette features hues that are right on trend for current outdoor furniture and fabric groupings. The gorgeous colors coupled with the easy-to-maintain polypropylene construction, make the Lagos collection the perfect solution for any indoor or outdoor space.

LANAI

Machine-Woven | 100% Polypropylene Pile

Our outdoor Lanai collection was inspired by the beauty and popularity of natural sisal rugs. The multiple weaves and textures in each rug create fashionable, yet casual looks. This indoor/outdoor collection offers casual designs and inherently stain-resistant fibers to encourage a relaxed atmosphere to socialize with family and friends without the traditional worries associated with natural fiber rugs.
